## SALE OF JACK-PINE WARBLER BACK ISSUES

As a service to ornithologists wishing to build or improve their libraries (either personal or institutional), *The Jack-Pine Warbler* is having a one-time sale of back issues. The sale will end 15 April 1979. There are 2 options: (1) You may purchase 1 copy of every available back issue from 1928 (*The Jack-Pine Warbler* began publication in 1926) to 1977 for \$15.00 plus postage. At the time of this writing, this includes 168 issues beginning with Fall 1928 and complete volumes from 1938 to 1977 with the exception of 1951-1954 (6 issues exhausted). Twenty issues, however, are represented by fewer than 10 copies (these are mostly prior to 1938 and between 1950 and 1954). Sets will be assembled on a first come, first served basis; later orders will receive fewer issues. If stocks are depleted below 125 issues, prospective purchasers will be notified. (2) Individual issues (1927-1977) may be purchased for 20 cents apiece with a \$1.00 minimum (postage extra).

Regular prices are \$.50-1.00 per issue 1928-1976 and \$2.50 1977-1978. Either plan, consequently, offers substantial savings. Single copy sale prices are all below one-half price. Maximum savings, however, are available on sets; early purchasers will be saving more than \$70.00 per set and later purchasers only slightly less. Order from Michigan Audubon Society Bookshop, 7000 North Westnedge, Kalamazoo, MI 49001. You will be billed.

## ERRATUM

In the paper by William Post in the June 1978 Wilson Bulletin (Social and foraging behavior of warblers wintering in Puerto Rican coastal scrub. Wilson Bull. 90:197-214), the references to the Bahama Yellowthroat on pages 198 and 199 should be references to the Common Yellowthroat (*Geothlypis trichas*).
